

Assurance Statement

To the best of our knowledge and understanding, we comply with all regulatory requirements set out in Chapter Three of the Scottish Housing Regulator's Regulatory Framework. This includes that we comply with the following:

- All relevant standards and outcomes in the Scottish Social Housing Charter
- All relevant legislative duties
- The standards for Governance and Financial Management

We confirm that we have reviewed and considered sufficient and appropriate evidence to give us assurance of compliance detailed above.

We are satisfied that we meet all of our duties in relation to tenant and resident safety. In particular, we have gained the necessary evidence-based assurance of our compliance in respect of duties relating to gas, electrical, fire, water and lift safety and our obligations relating to asbestos, damp and mould. Audits carried out this year have provided assurance in respect of our approach to legionella and damp and mould and we have an internal audit programme in place to ensure that each of these compliance areas are audited at least every 3 years. This is in addition to the audit of our compliance with the H&S Landlord Control Manual carried out by ACS every 2 years (last audit was October 2023).

We have completed our assessment into the potential presence of RAAC in our stock and confirm that none has been identified.

We approved our Annual Assurance Statement at the Board meeting of the 30th October 2024.

I sign this statement on behalf of the Board
